Jim Dine Tool Drawings

Art Introductory Summer Brief

Task 1

You should collect a shoe box and fill it with objects that relate to one of the given themes: ***Natural, Industrial and Found objects.***

Some suggested items:

Natural: *Shells, pods, sea weed, pebbles, bones, feathers, plants, leaves, twigs, bark etc.*
Industrial: *Ironmongery fixings, scrap objects, bike parts, engine parts, plastics, electronics, cables, tools etc.*
Found: *Rope, Train tickets, Buttons, Shoes, broken sunglasses, watches, etc.*

Task 2

Study Jim Dine's Tool drawings for his composition and large expressive style of drawing objects, and Anselm Kieffer to study his use of natural material (such as clay dust and straw) in his large scale art works.

Task 3

Make between 3 and 6 large drawings of your objects. At least one must be made from natural materials eg. Clay, Mud, Chalk, Natural Charcoal, Grass, Straw etc (Kieffer style). You can be inventive about the backing papers or cards you use eg. card, newspapers, wall paper etc.
